## Happy 25th Anniversary!

Melody Haffer is celebrating 25 years of service with The Exchange. When Melody was 16 years old, she began working at Woman's Exchange in the kitchen salad station. Now, she manages a staff of 19 in the kitchen. At a Woman's Exchange board meeting held on October 17, 2005, Melody received the final diamond in her service pin. That's company allegiance! Thank you, Mel, for 25 years of dedication.

# New Faces At the Exchange

The Exchange welcomes several new faces as part of the team. Jessica Wright, Woman's Exchange General Manager, has brought with her more than 10 years of retail experience. Pier 1 Imports, The Museum Company, and Barnes & Noble College Booksellers at Washington University School of Medicine are where much of her experience was built.

Kyle Mallett is Inventory and Maintenance Coordinator at the Exchange. He has over six years of experience in both college and corporate divisions of Barnes & Noble Booksellers. Recently, he was responsible for over one million dollars in inventory. Kyle will be a great asset to the operational division of the store.

As part of the sales team, Maida and Jasmina are joining The Exchange and are Bosnian immigrants. They are cousins, and both current students. Maida is working on her Dental Assistance Program while Jasmina is focusing on the Business Program. Both are working part-time while attending classes.
